

APPENDIX 3 – Evaluation sheet – Phase I

1) Is the presented theme sufficiently up to date and can it be developed by a worthy research project?

YES NO

2) Has the project leader the necessary expertise, reflected by his/hers publications, in order to implement successfully the proposed project?

YES NO

3) Do the presented publications indicate an average or above average visibility in the international community?

YES NO

Note

If the answer is negative, the shortcomings or the weaknesses must be clearly detailed.

Evaluator's final decision

YES NO

The project proposal receive the final answer "YES" from the evaluator, if it has received "YES" for every criterion from the evaluation sheet.

Note:

To have the chance to obtain the qualifying "Adequate quality to move to Phase II", the project leader must demonstrate an activity with average or above average visibility in the international community.

- *For Science and Social Sciences, activity with an average or above average visibility is highly defined by the existence of at least three publications as main author (document type: „article” or „review”) published in journals situated in the "top 50% of all journals Published in the research field of the project proposal". Reference list with journals belonging to top 50%, red and yellow areas, is achieved according to the scores of influence (AIS) calculated by Thomson Reuters in Journal Citation Reports 2014 published by Thomson Reuters in June, 2015, and it is available on UEFISCDI webpage at this link:*

http://uefiscdi.gov.ro/userfiles/file/PREMIERE_ARTICOLE/ARTICOLE%202015/ClasamentAIS2015.pdf

For Arts and Humanities, activity with an average or above average visibility is highly defined by the existence of at least three publications as main author or correspondent author (document type: „article” or „review”) published in journals indexed in Arts and Humanities Citation Index
