

APPENDIX 1 - The funding application – Phase I (to be completed in English)

The documents uses Times New Roman font type, 12 font size, 1.5 line spacing and 2 cm margins. Any modifications to these parameters (excepting the figures, tables or their captions) as well as exceeding the pages number established for each section automatically result in the declaration of the funding application as ineligible. The grey text contains filling instructions for candidates and will be deleted and replaced with the required information. There will be maintained the black text, which marks the mandatory information and sections of the application.

B1. An extended synopsis of the scientific proposal (maximum 6 pages, including bibliographical references).

The extended synopsis should be a concise presentation of the scientific proposal, including all relevant information regarding the ground-breaking nature of the project proposal, including the feasibility of the scientific approach; also it will contain the description of the main activities of the project in the context of the state of the art of the field.
