

**What
do innovators
actually
need?**

Easy access.

One entry point.

Building alone

cold outreach

barriers
to testing

slow

isolated scaling

pilots

fragmented
contacts

missed opportunities

duplicated efforts

Scaling together with UNITE

direct access

funding support

regional

infrastructure

cross-European
collaboration

coaching

& expertise

experimentation

environments

innovation
programmes

Inside the catalogue

38 start-up support services

37

living labs & testbeds

integrated 28DIGITAL expertise

**multi
regional
access.**
