

Romanian-EEA Research Programme

Programme Operator:
National Authority for Scientific
Research and Innovation

Romanian-EEA Research Programme

- National Authority for Scientific Research and Innovation
- Research Council of Norway
- Icelandic Centre for Research

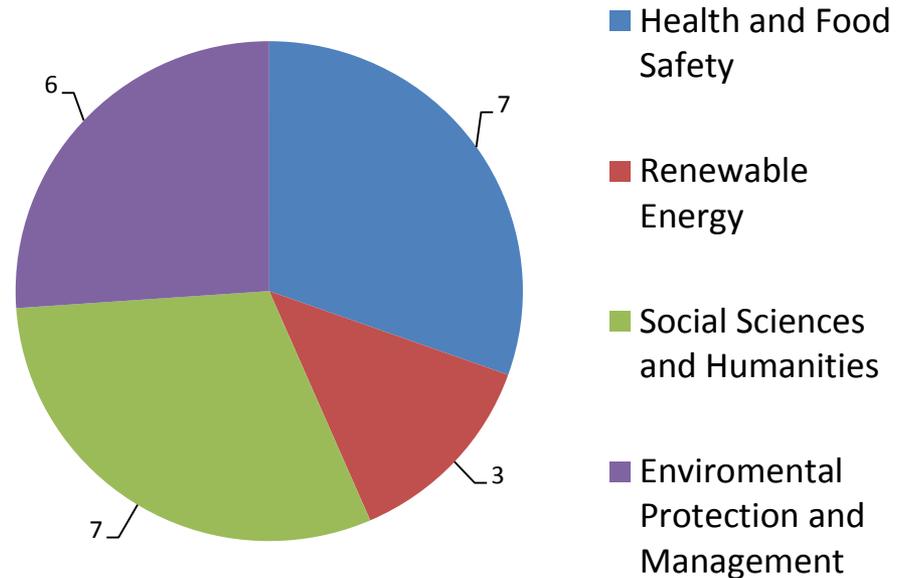

Total budget: **23.5** million EUR

Duration: AUG 2013 – DEC 2017

Objective Increased research cooperation
between the EEA EFTA States and
Romania

- 1 open call
- 412 applications
- 23 joint research projects
- 87 partners
- 444 researchers involved

Projects by thematic area

Project: ROKIDAIR

- University "Valahia" of Targoviste
- Norwegian Institute for Air Research,
- University of Oil and Gas of Ploiesti,
- Politehnica University of Bucharest

Goal

Protection of children against air pollution in Romania by improving urban air quality monitoring and forecasting.

- ✓ early warnings personalized data (oriented to children diseases or sensibilities)

Project: SNOWBALL

- National Administration of Meteorology
- Norwegian Computing Centre,
- Technical University of Civil Engineering of Bucharest,
- National Institute of Hydrology and Water Management
- West University of Timisoara

GOAL

Improve the monitoring and impact assessment of snow in Romania under present climate and future scenarios

Romanian-EEA Research Programme

«Theory and practice are, as often, very different things and when it comes to this Programme, making no difference between them was a challenging experience.»

Anca GHINESCU
Programme Coordinator

The screenshot shows the ANCSI website interface. At the top, there are logos for EEA grants and Norway grants. Below that is a navigation menu with options like 'PRIMA PAGINA', 'DESPRE ANCSI', 'SISTEMUL DE CERCETARE', 'POLITICA CDI', 'PROGRAME NATIONALE', 'PROGRAME INTERNATIONALE', 'PROGRAM SEE', 'FONDURI STRUCTURALE', 'INSTRUMENTE SUPPORT', and 'ORGANISME CONSULTATIVE'. The main content area is titled 'EEA Grants' and features the EEA grants logo and the Romanian coat of arms. The text describes the EEA Financial Mechanism 2009-2014 and a memorandum of understanding between the Romanian government and donor states (Iceland, Liechtenstein, and Norway) regarding the implementation of the EEA Financial Mechanism 2009-2014. The page also includes a sidebar with 'EN' and 'Ultimele actualizari' and a footer with 'Modificat la: 2014-09-10 14:37:00' and 'SHRE'.
